

Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA368CE

This certificate, issued to

Mr. William Roberts
 326 Hawthorne Lane
 Grand Prairie, Texas 75050

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.

Original Product — Type Certificate Number: 774
Make: Stinson
Model: V-77

Description of Type Design Change:

Replace wing rib stitches with P-K screws.
 Roberts Drawing No. 77-1 dated 8/16/65 required.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of these airplanes.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: 3/4/65

Date reissued: 8/30/72

Date of issuance: 11/15/65

Date amended: 8/18/65

By direction of the Administrator
